

---

**The Housing Innovation Collaborative** (“HICo”) is the ‘world’s fair of housing innovation’, an action-oriented non-profit housing R&D platform based in Los Angeles, CA, showcasing and piloting the next generation of design, finance, and policy solutions addressing the housing crisis, using Los Angeles as the world’s stage and launchpad.

HICo’s past work has included creating the largest open-sourced database of rapidly deployable emergency shelter solutions in the world, in partnership with FEMA, UNHCR, & HUD ([The Rapid Shelter Showcase](#)), partnering with cities across the U.S. to showcase how they are ending homelessness ([Project Spotlight](#)), and most recently, gearing up to launch the ‘Housing Olympics’ [Essential Housing Campaign](#), an ambitious public-private community development campaign to build more than 130k new homes for essential workers in Los Angeles by the 2028 Summer Olympics.

## ASSISTANT EDITOR INTERNSHIP

We are looking for a top-notch Assistant Editor! HICo has been expanding its digital media production ([Youtube Channel](#)), with a growing library of over [30 ‘home tours’](#) and several in-depth interviews and roundtables with housing-related thought leaders from around the world. The Assistant Editor will be primarily responsible for transforming raw video footage (often provided by partners/clients) and HICo’s recorded interviews into engaging content for HICo’s growing audience reaching more than 35k industry leaders around the world every week.

*Paid and unpaid internship opportunities available, depending on work hours, experience, and responsibilities.*

### Essential Job Functions

- Editing video content for a variety of digital platforms (social media, YouTube Channel) and broadcast for a diverse range of clients.
- Opportunity to lead creative direction of produced videos.
- Internship is flexible in length, but willing to work part-time for 3+ months. Flexible on number of hours/week and working hours, primarily self-directed to meet weekly deliverables.

### Knowledge/Skills

- Must have interest and awareness in writing/music/editorial.
- Passionate about design and storytelling. Interest in learning about housing development, construction technology, and homelessness is not required, but a plus given HICo’s nonprofit mission.
- Self-motivated and driven. Takes the initiative to learn new hardware, software, and latest capabilities on social media platforms, as needed.

### Required Qualifications

- Must have a thorough knowledge of photography, film, and video production and finishing:
  - Proficient in Adobe Creative Cloud suite of programs (Premiere, After Effects, Illustrator, Photoshop) and/or Final Cut Pro
  - Proficiency in AVID, AVID Symphony, Pro Tools, VEED.IO, sound design, mixing, and color correction a plus
- Strong understanding of post-production workflow and willing to work in fast-paced environment – new videos are produced and released every week.
- A minimum of 1-2 years of relevant experience preferred. Additional experience in brand identity and graphic design a plus.

**Primary Contact:** [Charly Ligety](#), Managing Director of HICo // [hi@housinginnovation.co](mailto:hi@housinginnovation.co)

- *Requesting resumes to include a link to portfolio of completed work*
